DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse of species # 1 in the reply filed on 6/23/2005 is acknowledged.
2. Examiner agrees with applicant's argument that claims 1, 16, 26, 31, 36, 39 and 45 are generic. However, a reply to this requirement did not include a listing of all claims readable on elected species # 1, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered nonresponsive unless accompanied by an election. Applicant is required to include a listing of all claims readable on elected species # 1. All claims belonging to non-elected species are withdrawn from consideration once applicant includes a listing of all claims readable on elected species # 1.
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ricardo L. Osorio whose telephone number is 571-272-7676.
